MICAIAH MINISTRIES

Wedding Bells

“My name is Nikolay. I got into this house thanks to God. He led me here thru a long way.

My mom was 15 years old when I was born. My granny took care of my upbringing. I didn't see my mom very often. When I turned 7 years old my dad began to foster me. Sometimes I still visited with my mom but I didn't have enough mothers' love. Mom and dad didn't live together since I turned seven.

At 14 years old my mom took me and brought to her place where she lived with her boyfriend. He was an important person in Saint Petersburg. We lived in Moscow in the area of rich people. At that time I didn't realize what

happiness meant. I thought that it would last forever. But it wasn't true.

My mom started dating many men and it seemed like she changed her lovers every day. Then I turned 16 years and there appeared another man in her life. We didn't get along right away. I told to my mom to choose whether him or me. She chose him and I moved to my granny.”

In November 2010 Nikolay and a friend stole money and Nikolay took a portion of that money and ran to Saint Petersburg. He told us, *“While we were driving in the car on the way to the railway station I was listening to a song on*

the radio - it was a song about a brother. I liked next line: ‘I'm praying for you to the Lord.’ At that moment I didn't understand the meaning of those words.”

Shortly after his arrival to Saint Petersburg, he was hanging out with a couple of girls who drugged him. When he woke up at a metro stop he had no memory. The doctors later told him that it was amazing that he survived.

After two hours of interrogation by the police, they finally believed he had no memory and took him to an Orthodox church. Through a series of events he began to have limited recall and had a dream about the town Zelenogorsk and Anna Zakharovna a friend of his grandmother. Anna recognized

Nikolay

Nikolay and gave the police the phone number to reach his relatives.

The police called to his mother. Nikolay told us that she responded, telling them that "they could do what ever they wanted with me and that they could put me in jail or even throw me out on the streets as a dog."

"On 11th of December I was offered to come to Restoration House. I asked about the house and then decided to go. When I entered the house I saw Olga and Olya drinking tea. Sergey showed me around the house.

On Sunday we went to church. Until that day I didn't go to church, didn't read the Bible, didn't get up so early in the morning. And I understood that money wasn't happiness but what was in your soul and heart. Here I learned how to love and how to have a normal life.

I'm thankful to God for Kent, Todd, Pastor Roy, Olga, Zhenya, Sergey, Sasha, Olya and everyone who is a part of it. But for these people who knows what would've had happened to me. Probably I would've been living somewhere in the basement, or in jail, or lay in the ground. I'm so grateful to these people.

For today I have spent 7 months at Restoration House. I began a normal life. I don't smoke. I read the Bible, go to church every Sunday. I know God and His miracles. Now I have peace in my soul, no more worrying and anxiety about what will happen to me in the future.

I'll be praying for you so that there would be more people like you. Thank you for helping us and for showing us that right way. Thank you that you care about us!!!

I didn't have enough love when I was

I kid. Now I'm grateful that you love us. Thank you. We love you. Nikolay"

Thanks to our wonderful staff, Nikolay and his mother have been reconciled speaking often by phone or SKYPE. He told us that he wants her to come visit Restoration House so that he could take her to church and help her to get saved.

Please continue to pray for Nikolay's mother and other family members that they will come to know Jesus and experience the same life change as Nikolay.

As for the "Wedding Bells" -Nikolay has met a young lady, Olya, while attending church. They are to be married by the state on July 26 and then have a church wedding August 26.

Olya's father who has been building up a transportation business recently gave a vehicle to Nikolay in order to join the family business.

Your financial gifts made it possible

Olya and Nikolay

for Nikolay to begin his life anew and experience the restoration God has promised to each one.

My name is Sergey. I left home when I was 10 years old. I met some street boys and girls. I ran away from home because my step- father treated me bad (I won't tell the details). I started sniffing the glue, drinking alcohol, smoking, living in the basements. I rarely visited home so that my mom wouldn't worry about me.

At 15 years old I began to live at the rookeries (slums). I sniffed, drank and smoke not so much as before. I got baptized at the church at 15 years old. When I was about 16 street life became a little easier. I had less problems, police didn't bother me so much. I started to think about my life and about getting a job. I worked at many work sites as loader or construction worker. Right before I got to Restoration House I quit drinking and other bad habits.

I believe that this house is able to change people life to a positive side so that a man would walk along the right path toward life and success. Thanks to everybody that I'm getting help here.

YOUR GIFTS MAKING A DIFFERENCE!

Hello to everyone who know me and who don't...I'm Yulia.

I got into this house because I used to do bad things. Police sent me here... If I didn't get into the house I would've perished because I drank a lot and I didn't come home. I have got parents and they wanted me to change. I truly like Restoration House. Thanks to all of the staff for taking care about me and I love all of them: Zhenya, Sasha, Olya, Olga and Sergey. They are helping me and doing their best for my good... Thanks a lot to Kent and Todd for everything they've done for me. I love you too. Thank you for this house and for providing everything for it. I like being here. I even started to cry when my mom wanted to take me home.

Thank you for everything. I love you very much.
